## Checklists for Rev-Perf Catalog Vol. 1 Completed (Almost)

Paul A. Mistretta (LM#111)

With the publication (below) of the checklists for sections C, D, J, M and the tables at the end of the volume, I have completed presenting checklists for all of Volume 1 of the Rev-Perf catalog. (This "completion" excludes some of the patterns presented in Section D [La. Law tax stamps], some in Section M, all in Section N, and the patterns presented in Section O – all of which are not yet amenable to useful checklist preparation).

Barring a serious groundswell supporting the preparation of further checklists for the 2<sup>nd</sup> and 3<sup>rd</sup> volumes (specialized material for [essentially considered esoterica by] most current perfin collectors) this will be the last set of checklists prepared by me for publication in the *Bulletin*. (I would consider creating the remaining checklists at some time after being relieved of the *Bulletin* editorship – or would be glad to work with some other member of the Club willing to prepare the remaining checklists.)
